

Ignite Sport UK Adult Education Qualifications

Ignite Sport UK, in partnership with Activate Learning, are delighted to provide a range of sports-related and non-sports-related qualifications for adults wishing to learn new skills, or as CPD opportunities.

Ignite Sport UK is a registered training provider and delivers NGB and vocational qualifications through its registered centre. Depending on the course, we offer flexible blended learning models with face-to-face training, in-situ visits, online learning, assessor visits and observations, and the use of ICT to support training and assessment.

For schools, these qualifications are a great way of utilising the PE school sport premium.

Flexible delivery options and choice of programme provides support and upskilling for PE and non-PE specialists, teaching staff, NQTs and sports coaches.

Short Courses:

L2 Certificate in Multi-skills development

This qualification is designed to develop the skills and knowledge required to enable the learner to understand participants and their needs. The course increase your knowledge of multiskills development in sport, practical focus is placed upon fundamentals of movement, fundamental movement skills and fundamental sports skills.

L2 Certificate in the Principles and Preparations for Coaching Sport (QCF)

This qualification is designed to equip the learner with an understanding of participants and their needs, develop knowledge of coaching sport, and requires the learner to demonstrate practical coaching skills, including assisting with the delivery of broader coaching sessions. The qualification leads to further learning or training in the area of coaching sport.

L2 Certificate in Supporting Learning in Physical Education and School Sport (QCF)

Developed in partnership with AFPE, this qualification provides an introduction to a number of roles through an engagement with physical education and school sport (PESS). These roles include teaching, activity leadership, and coaching for young people. While the qualification is delivered through the medium of PESS, the skills may be used in other sporting environments under appropriate guidance. 100% of the tuition the learner receives will support them in assisting others with the delivery of physical education and school sport in a suitable environment.

Short Courses (contd):

Level 1 Award in Coaching Football

This qualification is designed to provide an introduction to the practical and theoretical aspects of coaching football. The foundation level of knowledge and skills developed by The Football Association will provide an understanding of the safe, ethical and effective management and coaching of football to players of all ages.

L2 Award in Applying Health and Wellbeing Principles through Physical Activity

Learn to apply the principles of health and well-being to a range of participant groups supporting healthy lifestyles in early years, children, and adults. These principles ensure health and well-being is considered as a priority in the delivery of physical activity sessions.

Functional skills qualifications:

Level 1 Functional Skills English

Level 1 Functional Skills Maths

Level 2 Functional Skills English

Level 2 Functional Skills Maths

These qualifications provide the opportunity to develop skills and knowledge in the subjects of English and Maths at levels 1 and 2.

The qualifications provide learners a range of mathematical, language and written skills in real-life scenarios. Learners are supported to develop subject-specific skills in a functional way.

Diploma Qualifications

Suitable for those with a strong desire to lead sessions and develop specialism in PE and Sport.

These qualifications are delivered over an academic year or a number of terms, depending on progress. Please visit our website for full details:

- Level 2 NVQ Certificate in Activity Leadership (QCF)
- L2 Diploma in Coaching Sport and Instructing Physical Activities
- L3 Diploma in Supporting Teaching & Learning in PE and School Sport

Employment Qualifications

1st4sport Level 2 Award in Employment Awareness in Active Leisure and Learning

A qualification for individuals over 16 years of age who would like to expand their knowledge of employment rights and responsibilities in the active leisure and learning sector. This will help learners identify and develop skills for employment and knowledge of the sector job roles and opportunities.

Also available at level 3.
