start your pathway into a career in  
sport, leisure or physical activity

# Apprenticeships

**Full-time sports apprenticeships are now available with a range of schools, employers, coaching companies, leisure facilities and sports clubs - apply now to be matched with a vacancy.**

Ignite Sport UK, established in 1999, is a leading training provider in the provision of sports-related apprenticeships, NGB awards and vocational qualifications.

Our apprenticeships are available at Intermediate Level (2) and Advanced Level (3) for individuals wishing to develop a career in an exciting industry. Suitable for 16-18 year olds as well as 19+ learners with a strong interest in sport, leisure or play. Ignite Sport UK will identify suitable vacancies and prepare your application. Upon successful placement, Ignite Sport UK will provide full training, qualifications, mentoring support and guidance throughout your journey.

## What are the benefits of an Ignite Sport UK Apprenticeship?

- A fantastic opportunity for positive individuals with an interest in sport/leisure.
- Earn an apprenticeship salary while you develop your skills and knowledge.
- Minimum of 30 hours per week, including 20% off-the-job training.
- Undertake a range of activities, giving you a varied and stimulating programme.
- Gain industry-relevant qualifications throughout your apprenticeship and access the latest resources.
- A blended learning approach, including face-to-face training, webinars, workshops, and virtual learning, utilized throughout.
- Dedicated assessors and mentors to support you.
- Fully integrated virtual learning platform and electronic portfolio, allowing the use of videos, photos, presentation material, documents and audio files to be uploaded to support your learning.
- Smartphone, PC and tablet integration.
- Excellent career opportunities.
- Progression routes into higher education upon completion.
