THE OXFORD ENGLISH
FOOTBALL PROGRAMME

FITZONE

Strength and conditioning to improve movement, health, physical fitness with a focus on match stamina.

Could you benefit from increased fitness to help your game?

The physical corner is one of the most important areas for development of the footballer. Increased physical fitness can have the greatest impact on playing performance. Our football strength and conditioning coaches will provide fun, engaging sessions using ladders, hurdles, parachutes, 1-1 sessions and football specific practices.

Sessions will help develop agility, balance, strength, aerobic endurance and power through football specific practices. Players will also receive advice, guidance and a tailored programme to work on.
