

# Learning And Skills Tutor Level 5

The Learning and Skills Apprenticeship is a high-level qualification which has a teaching/training practice requirement. It is an 'in service' qualification designed for those working or wishing to work as teachers/trainers.

## What it covers

This qualification can be completed between 1-2 years depending on the amount of teaching hours being delivered. The Learning and Skills Teacher will:

- l Promote a passion for learning and high expectations of all learners
- l Underpin their practice by reference to professional standards and evidence-based teaching and learning
- l Be responsible for planning and delivering learning that is current, relevant, challenging, and that inspires learners to engage and achieve their full potential.

## Aim

On completion, successful trainees will be able to take an analytical and practical approach to all aspects of planning, delivering, and assessing inclusive teaching and learning. They will also be prepared and able to implement technology-enhanced learning that supports the evolving digital world we live in.

## Who is eligible?

Apprenticeships are open to people of ALL ages and are very cost effective. Providing on the job training allowing individuals to earn whilst they learn! This course is ideal if you are new to teaching or training in the further education and skills sector and are looking for comprehensive training to support you in your development as an educational practitioner.

## Who we are

Ignite Sport UK, is a registered training provider for sport and education qualifications which we deliver nationally. We hold main provider status with the Education & Skills Funding Agency (ESFA). We believe that our apprenticeship programmes would be a great opportunity for individuals to expand their knowledge, skills and behaviours, this course is a nationally recognised teaching qualification in the Lifelong Learning Sector. Graduates can therefore apply for QTLS.

## Benefits of having an apprentice:

- l 86% of employers said apprenticeships helped them develop skills relevant to their organisation
- l 78% of employers said apprenticeships helped them improve productivity
- l 74% of employers said apprenticeships helped them improve the quality of their product or service
- l You can adapt their training according to the needs of your business
- l They're motivated to learn new skills, leading to better retention
- l You can expand and upskill your workforce

Level 5 apprenticeships are also classified as higher apprenticeships, but are the equivalent of the full degree.
